

AUTOMOTIVE

PIE

WE KNOW OUR ONIONS. AND OUR OEMS.

Our experience and reputation has opened doors for us to work with a multitude of exciting businesses across the Automotive space, from emerging fleet & OEM service providers to more established vendors, manufacturers & growth success stories across the automotive spectrum.

If you're looking to partner with a business which understands your marketplace & your unique challenges - as well as your not-so-unique ones - we're confident that our no-nonsense approach will surpass your expectations.

PUTTING YOU IN POLE POSITION

PIE's automotive team helps a range of leading businesses, ranging from big corporates to emerging players.

Our network spans across fleet, contract hire, rental, finance, manufacturers & leasing companies. Our aim is to support and build high performing, go-to-market teams across Sales, Marketing & Digital - top down and bottom up.

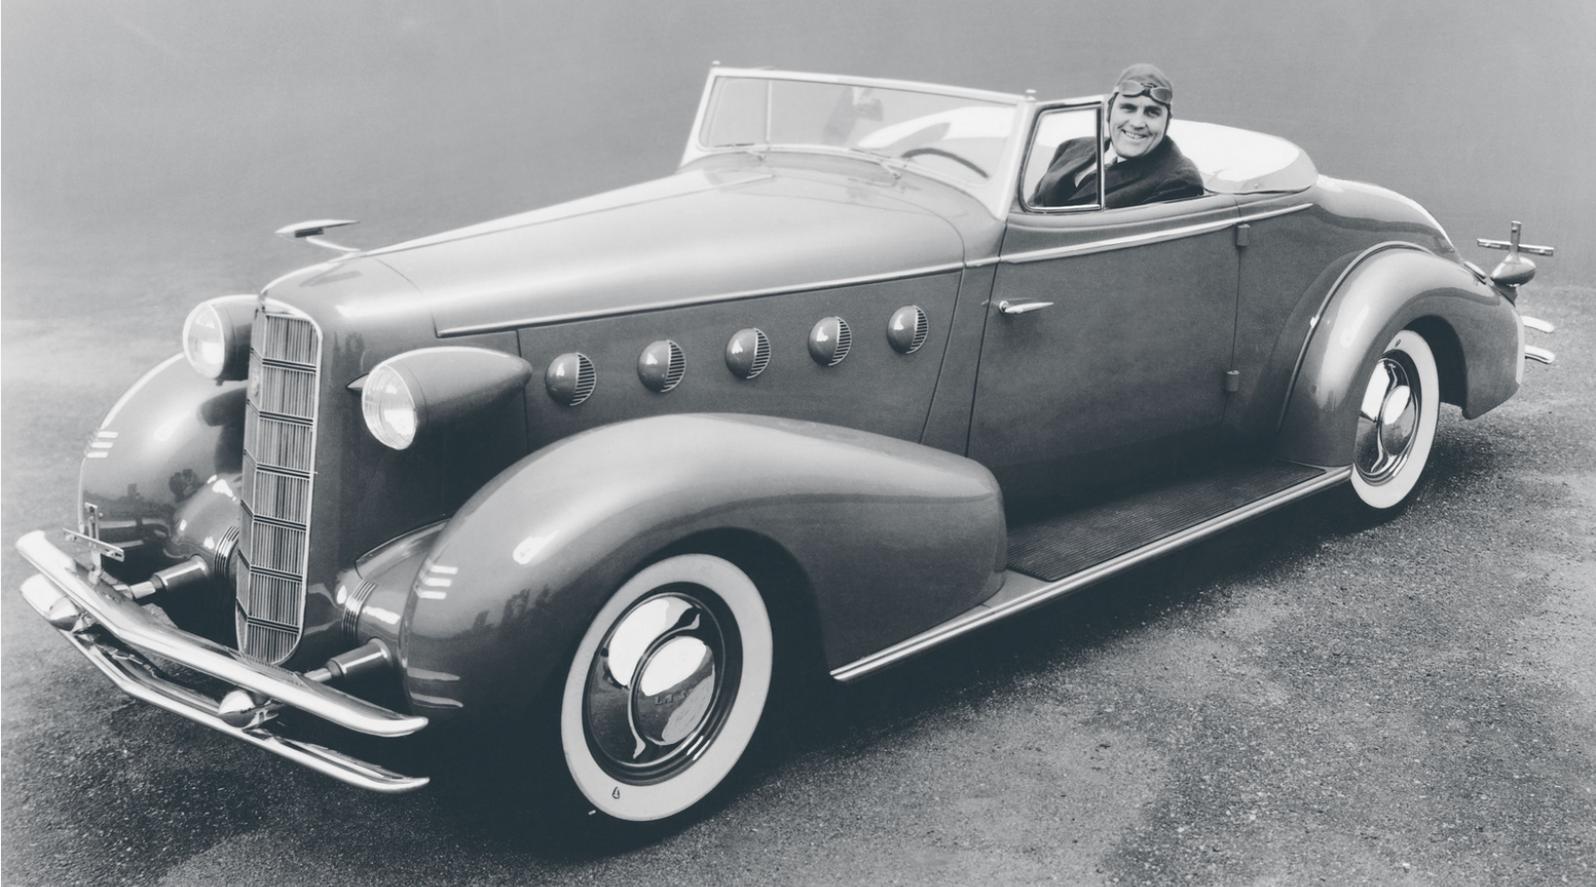

Our experienced team has worked successfully as a trusted partner to both founder and leadership teams, helping with individual contributor and leadership hires.

To find out how we can help your business achieve it's growth objectives through the hire of key people in the commercial disciplines, contact us for a chat.
